understand, acknowledge and agree to meet all of the following professional and financial responsibilities.

- 1) I understand that it is my responsibility to initiate and maintain consistent and professional communication with overseas school coordinators, and I agree to initiate communication with relevant school contacts identified in my placement letter, as soon as placement information is made available to me. Thereafter, I understand and agree that it is my responsibility to maintain e-mail or phone communication once every two weeks until I arrive at my overseas school placement site.
- 2) I also understand and agree that it is my responsibility to initiate and maintain consistent and respectful communication with homestay hosts, and I agree to initiate e-mail or phone communication with my hosts as soon as placement and contact information is made available to me. I understand that it is my responsibility to discuss with my hosts all details regarding my local accommodations, including but not limited to cost of room and board, schedule for paying rent, preferred method and currency for rent payment, number of meals that will be made available, facilities I will have shared access to, and any special accommodations I may require. I understand and acknowledge that it is not Global Gateway's responsibility to arrange any aspect of my homestay.

I agree to pay my hosts for room and board on a weekly basis unless another payment schedule has been mutually agreed upon between myself and my hosts. - 6) I understand that I am choosing to participate in this program as a pre-service professional and I agree to comport myself with the highest degree of professionalism (including when using social media), to adhere to ethical standards, and to use cross-cultural sensitivity when

interacting with school administrators, faculty, pupils, parents, community members, and homestay hosts. Furthermore, I agree to comply with applicable laws in the country of my placement and to abide by the policies of the overseas school, including with respect to the disclosure of personally-identifiable student information. I further understand and acknowledge that my failure to do so may result in the cancellation of my placement at any point in time during the program.

This Assumption of Risk and Release from Liability (“Release”) pertains to activities to be undertaken by Student (identified below), in connection with his or her application to participate in Indiana University Global Gateway for Teachers, which facilitates the placement of student teachers in overseas student teaching experiences (herein the “Global Gateway”).

I, _____ (“Student”), have applied to the Global Gateway for an overseas student teaching placement, and I hereby state that I have read and agree to the following:

1. I desire to undertake a student teaching placement in the foreign country and school as assigned by the Global Gateway, and my application and request to participate in the Global Gateway is wholly voluntary, and of my own choosing.
2. I understand that there are risks and hazards inherent in foreign travel and in living and working overseas, including risks arising from travel to and from a foreign destination, and to, from and within the particular placement country and school location I will be assigned, and I fully accept these risks. These risks may include, but are not limited to, such things as war, quarantine, civil unrest, public health risks, criminal activity, terrorism, exposure to communicable diseases, ill effects of unfamiliar food and water, incidents and risks that may arise due to language barriers and different customs and standards, incidents related to ground, air or water transportation, adverse weather conditions, accident, injuries or damage to property, other physical, mental, and emotional injury, and death.
3. In addition to the above risks, I understand that there may be risks associated with my particular placement country and school location, as well as with extra-curricular or recreational pursuits and independent travel and other activities that I may choose to engage in during my time in that location. Depending on the specific location assigned and activities involved, these risks may include, but are not limited to incidents related to travel, exposure to adverse weather conditions, sprains, broken bones, cuts, bruises, allergic reactions, drowning, entrapment, damage to property, and other physical, mental, and emotional injury.
4. I understand that the owners, officers, employees, or agents of any attraction, enterprise or vendor of which I take part or participate during the Global Gateway, the staff/employees of any hotel at which I stay, the staff/employees of any site I may visit, the other participants of the Global Gateway, and other third parties (collectively, “Third Parties”), are not the agents or employees of IU and that dangers may be caused by the negligent or intentional act(s) or omissions of such Third Parties. I understand that IU is not responsible for any injuries or property damage that may be caused by the acts or omissions of such Third Parties.
- 5.. I acknowledge and agree that I have been advised to consult the State Department Consular Information Sheets and Travel Warnings at <http://travel.state.gov> and the Centers for Disease Control (CDC) at <http://www.cdc.gov> with regard to the country in which I will be placed, and I have been strongly advised to continue to consult these sources, prior to and during my time abroad.
6. I acknowledge that the Global Gateway will not support travel to or through any country or area about which the State Department has issued a **travel warning** and I agree that I will not make any independent travel arrangements during the term of my placement that take me to, or through, any country or area about which the State Department has issued a travel warning. I acknowledge that my placement may be revoked if the Global

Gateway concludes that my placement country or particular location have become or may become dangerous.

7. I acknowledge and agree that I have read the information sheets prepared by the IU Office of Education Abroad on health and safety, which can be found at the following website: <https://abroad.iu.edu/planning/expectations/healthandsafety.html>.
8. I acknowledge that I am required to have adequate insurance before my departure, which should include accident, health, medical evacuation, and liability insurance.
9. I fully understand the above risks and the scope of the activities involved in placement through the Global Gateway, and I agree to assume the risks, including the risk of catastrophic injury or death.
10. I agree, on my own behalf and that of my heirs, successors, and assigns, to indemnify, hold harmless, release and forever discharge Indiana University, its Trustees, employees, agents, and cooperating institutions and their offices and agents (if any) from any and all claims, liabilities and expenses, including reasonable attorney's fees, for any injury, loss, or damage to personal property, including catastrophic injury or death, related to my participation in the Global Gateway, my overseas student placement, and any independent travel or activities in which I engage during my participation in the Global Gateway.
11. I understand and agree to respect and abide by the laws and customs of my placement country and my placement school, all Indiana University policies and rules including those embodied in the Code of Student Rights, Responsibilities and Conduct, and any and all other reasonable standards of conduct during my participation in the Global Gateway, and that any violations of these policies or rules may result in the imposition of sanctions as provided under the Code.
12. I agree that the interpretation and performance of this agreement shall be construed in accordance with the laws of the State of Indiana, and any litigation arising out of this agreement shall be venued in Monroe County, Indiana, and shall be governed by the laws of the State of Indiana.
